

ISDH announces 5 new COVID-19 drive-thru testing clinics

ISDH will offer drive-thru testing clinics this week across the state. The testing is open to symptomatic healthcare workers, first responders or essential workers, individuals who have symptoms and are in a high-risk category due to age, weight or underlying health conditions, and those who live in the same residence as one of the priority categories.

- Participants should bring a driver's license or other state-issued identification card.
- Tests will be conducted as long as supplies last and will be limited to one individual per vehicle.

Testing sites are:

New Castle

9 a.m. to 6 p.m. EDT, May 6-9

First Baptist Church

709 S. Memorial Drive

Visit the ISDH COVID-19 dashboard at www.coronavirus.in.gov for additional information on cases. The dashboard will be updated at noon daily. All cases are listed by county of residence.
